

VATTENFALL

New member - Vattenfall

LSBUD is also pleased to welcome Vattenfall as the latest company to join its service.

Vattenfall is one of Europe's largest generators of electricity and the largest producer of heat and will have its assets protected through the service.

New member - Lightsource SPV 107

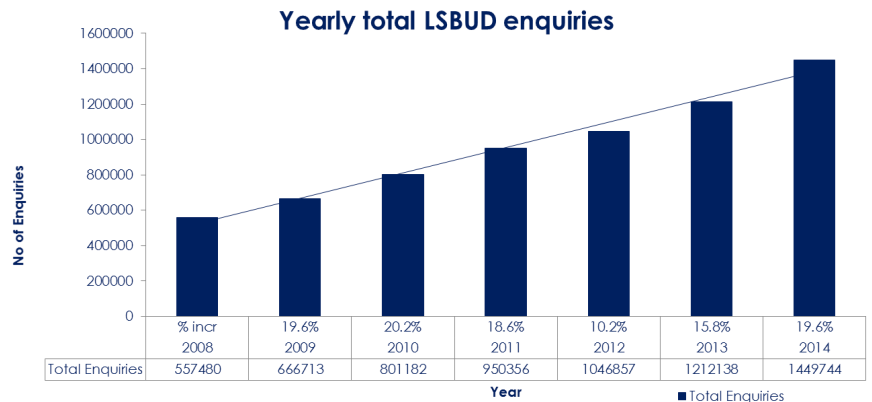

Lightsource is the UK's leading solar energy company.

Lightsource has established a proven and unrivalled track record in the design, installation and management of solar PV projects across the country.

Please look out for these new Members in your LSBUD responses.

Continued Growth of Enquiries

LSBUD is pleased to announce another record year for enquiry numbers so thank you for your continued diligent searching.

Calendar Competition

Due to the popularity of our annual calendar, we are inviting all our Users to help ensure that Larry continues to travel the world and his adventures are captured for us all to enjoy!

Please take Larry with you on holiday this year and take a photo with him for your chance to win a prize and being published in the 2016 calendar.

Tips for success:

- Quality**- Photos are at least 5 megapixels
- Orientation**- Photographs are in landscape orientation
- Focus**- Larry and his backdrop are in focus and Larry is level
- People**- No people are visible in the photo
- Brands**- No brands are shown
