LSBUD Survey Results

We would like to thank everyone who took part in our online survey at the beginning of the year, the response has been overwhelmingly positive! We are always looking for ways to improve the service and your feedback is valued greatly, here is some of the feedback we received.

Do you feel that the service saves you time rather than having to check all of the asset owners' information individually?

Would you recommend the service to a friend or colleague?

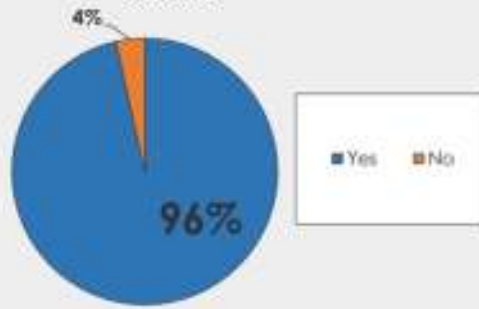

We also received some very kind comments:

"We feel that you offer a service that is second to none, and that you have handled all our enquiries with speed, efficiency and courtesy"

"Simple, fast and efficient service that makes the whole industry safer"

"The more members, the better as far as I'm concerned. It saves time rather than having to contact them individually"

Do you feel that the service helps improve the safety of you or your team undertaking works on site?

One of the biggest requests we have received is to try and get more asset owners (Members) on to the site, we are actively working on this and look forward to announcing more throughout the year.

New Website

We are always looking for ways to improve the LSBUD service and with that in mind we have made some exciting changes to our website to improve your experience. Based upon feedback of the old website we have simplified the presentation to show a clearer view of what the LSBUD service is and how it works.

Please note that the LSBUD application used for making your enquiry (after you log in) has remained the same.

If you have any feedback on the site please let us know by contacting us using the details below.

2017 Calendar

A reminder if you are going away this year to take Larry with you! The picture submissions which make it in to our 2017 calendar will receive a £25 gift card.

If you would like to request a Larry, please send us your postage details using the contact information below and we will send one out to you.
